EVENTO 2023

# SARDINIA SAILING CUP

The Italian Sailing Federation proposes a great international event with an innovative format that promotes the sailing of the future and consolidates Cagliari and Sardinia as the capital of Sailing, as many as 3 appointments in a single "Big Event" distributed from October to December 2023!

The expression of modern disciplines that make use of FOILS, now well known thanks to their use in Americas Cup and SailGP boats, as well as a very important event that includes the Parasail Academy to promote sailing at 360° by focusing on sailing inclusivity and competition in regattas.

The Opening of the Sardinia Sailing Cup starts with the Wingfoil World Cup, recognized by World Sailing as a Special Event, the pro-tour that assigns the title of World Champion in the new discipline of WINGFOIL arrives for the first time in Sardinia, in Cagliari.

Many athletes from all over the world representing all continents will compete in the waters of the poetto using their foilboards. There will be several race routes, including the long distance and marathon along the coast ensuring a unique spectacle for spectators.

An opportunity with a lot of visibility to the host city, after seeing the tour land in Thailand, Abu Dhabi, Colombia, Puerto Rico, Greece, Switzerland and Brazil, it's time for Sardinia.

EVENTO 2023

# SARDINIA SAILING CUP

**Sardinia Sailing Cup** continues with the trophy and the creation as a HUB of the first international Parasail Academy with the partnership of the international sailing federation, World Sailing.

An international event that promotes the sport of inclusive sailing, with the aim of bringing sailors to the highest level for future participation in continental and world championships with Hansa303 boats.

It ends with the **FINAL** stage of the SSC in December from 18 to 23 with the **Foil Academy International Trophy**, part of the **Next Generation** project powered by **Luna Rossa**. The athletes will be chosen to represent many national teams to compete in a format of Round Robin challenges, with the super finals for the top sailors on the last day, both for the Wasp and IQFoil disciplines, while there will also be a special Expression & Slalom show case of WingFoil with world-class athletes.

**Come and get your chance to win the last event of the year!!**

## Foil Academy International Trophy

The set of disciplines that attract young people, challenges with groups and heats on short courses, using the different types of boats, Wasp, IQFoil, Wingfoil.

The Teams compete for the international trophy both in singles and teams.

**Get your Challenge!**

*Come and get your chance to win the last event of the year!!!*

## SARDINIA SAILING CUP - Village

The Village will be built for the Final act of the Foil Academy Trophy at the FIV Federal Center, Molo Ichnusa in Cagliari. It will be open every day for the duration of the events, full of activities and events that animate and see the participation of the city of Cagliari and the passionate tourists who will be present.

# SARDINIA SAILING CUP - the Final

The **Italian Sailing Federation** has been supporting important events and activities in Cagliari for some time, also having the federal Olympic preparation center based on the Ichnusa Pier, as well as many activities in the Marina Piccola area with its affiliates.

the SSC Project will sanction a strong union between the FIV and the territory, guaranteeing world-class events every year spread over the long term
